LOBBY

This Lobby sets the stage for the guest experience the moment they step through the entrance. Full of unexpected surprises, like the tucked away Library, this space transforms to a modern atmosphere while still feeling timeless. At every turn there is a place for travelers to sit and unwind, possibly staying long enough to enjoy an afternoon glass of wine or tapas with friends. Comfortable, classic lounge seating becomes their new home away from home.

DESIGN ELEMENTS

- Entry Vestibule
- Cosanti Wind Bell inspired Room Divider
- Reception Desk
- Multiple Seating Groups
- Library
- Floor to Ceiling Room Divider

BAR + RESTAURANT

CAFE

The Cafe has the presence at the “heart” of the property, a spot the guests can visit through out the course of the day. From their first cup of coffee in the morning to wine with peers at the end of the day and everything in-between, this space transitions with the guest in tandem with the day. At the counter an array of pastries, sweets, sandwiches, and drinks are available, along with a station for gelato. Stacking doors open to create a expansive connection to the courtyard.

HIGHLIGHTS

- Grand glass front entry doors from lobby
- Gelato Case
- Local Wine on Tap
- Bar Seating
- Courtyard
- Coffee
- "Grab and Stay" crafted items

BENNIE'S COURTYARD

Guests are pleasantly surprised as they catch a glimpse of this space during check-in in the lobby. This updated Spanish Courtyard incorporates traditional design concepts with a modern flare. The space includes an enchanting tree at the center with built-in banquette seating, multiple seating styles and groups with plenty of shade options for those sunny Scottsdale days. A lush green wall encloses the space with a water feature keeping the serene feel. Grab a cup of coffee, a Happy Hour drink from the Cafe, or a pizza from the resident Food Truck and enjoy the weather Scottsdale is famous for!
